This is a detailed black and white topographical map of the Jamestown, Virginia area. The map shows the James River flowing through the region, with several islands and points of land. Key locations include Jamestown, York, Warwick, and Stanley. The map also depicts the U.S. Navy Mine Depot, Williamsburg Airport, and various other landmarks such as the Colonial National Monument and the Lee Hall. Numerous roads, including highways and local streets, are shown, along with various geographical features like creeks, ponds, and hills. The map is labeled with numerous place names, including Jamestown, York, Warwick, Stanley, and various smaller towns and villages. It also shows the James River, York River, and various other water bodies. The map is a detailed representation of the area, showing the layout of the land, water, and infrastructure.
